ZIONIST MOVE S TO BE LIMITED

Palestine Cannot Care in One
Year for More Than 50,
000—No Speculation.

NEW YORK, March 17. (Sp.)—Im-
migration to Palestine will be limited
to 50,000 a year, during the first period
of development of the Jewish common-
wealth which is to be established in
that country under the trusteeship of
Great Britain. This is one of a series
of important resolutions which have
been adopted by the Zionist organiza-
tion of America, at a meeting of the
Interallied Zionist conference which
has just concluded its sessions in
London. Clearing houses for this
immigration will be established in Lon-
don and in a neutral country.
The London conference, which was
attended by about 30 delegates from
this country, as well as by representa-
tives of the Zionist organizations of
all the allied countries, also adopted
a resolution offered by Bernard A.
Rosenblatt, of New York, that all lands
in Palestine, irrespective of their present
ownership, shall be assessed by the
government to be created in that
country, according to their value on
Aug. 31, 1914, and that any unearned
increment created by the entry of the
British army is not to go to the present
landlords of Palestine, but to the
whole community, Jew and Gentile
alike, such unearned increment to be
taken by the state in the form of taxa-
tion. This is in keeping with a resolu-
tion adopted at the convention of the
Zionist organization or America, in
Pittsburgh, last June, laying down as
one of the fundamental principles of
the Jewish commonwealth in Palestine
the prevention of land speculation.
Mrs. Mary Fels, one of the leading
American advocates of single tax, was
one of the American delegation to the
Interallied Zionist conference, which in-
cluded Prof. Felix Frankfurter, former
war labor policies board, and Mr. Jacob
de Haas, executive secretary of the
Zionist organization of America.

BLUE MOUNTAIN COLLEGE WILL GO TO BAPTISTS

BLUE MOUNTAIN, Miss., March 17.
(Sp.)—Blue Mountain college, for more
than 40 years the private property of
Lawry & Berry, will pass to the Bap-
tist convention of Mississippi by Sat-
urday, in the opinion of Dr. R. G. Loe-
wey, vice secretary of Blue Mountain
college, Hillman college.
The purchase of the institution, which
was made possible through a gift of
\$100,000 by the Jennings family, of
Memphis and Mississippi, was condi-
tioned upon the raising of another
\$100,000 by the Baptists of Mississippi
to be used in liquidating the debts on
the other denominational schools of the
state belonging to the Baptist conven-
tion.

Of this additional sum, it is under-
stood, \$50,000 is to be received by Hat-
tlesburg and Mississippi Women's col-
lege. The balance will be collected by
Dr. B. G. Lowrey and Dr. R. G. Gun-
ter, of Jackson, Miss., selected by the
Baptist education commission of the
state for the purpose. Dr. Lowrey and
Gunter, assisted by other well-known
leaders of the denomination, have al-
ready raised some \$25,000 and the other
\$25,000 will be raised by Septem-
ber, if the Baptists of Mississippi
will only stand back of their authorized
agents.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When Cross, Feverish and
Sick Give "California Syrup
of Figs."

"Children love this 'fruit laxative,' and
nothing else cleanses the tender stom-
ach, liver and bowels so well. A
child simply will not stop playing
to empty the bowels, and the result is
they become cross, feverish, and
suffer from sluggish, stomach souring,
feverish, and a bad system full of cold
and flu. It is a sure sign of constipa-
tion, then give a teaspoonful of 'Cal-
ifornia Syrup of Figs,' and in a few
hours all the constipated matter, sour
stomach and undigested food passes out
the system, and you have a well, play-
ful child again."

Millions of mothers give "California
Syrup of Figs" because it is perfectly
harmless, and it never
calls to act on the stomach, liver and
bowels.

"Ask your druggist for a bottle of
'California Syrup of Figs,' which has
full directions for babies, children of
all ages and for grown-ups plainly printed
on the bottle. Beware of counterfeits sold
here. Get the genuine, made by 'Cal-
ifornia Fig Syrup Company.' Refuse any
other kind with counterfeits."

MAKE OLD SHOES WEAR LIKE NEW

"I had Neolin Soles put on my
shoes—wore these shoes every day for
fifteen months, then had Neolin half-
soles put on. They are still in good
condition," writes F. T. Evans, of
Seattle, Washington.

"This is cutting shoe bills down to the
minimum through Neolin Soles. Any-
one can do this if he will follow Mr.
Evans' example, and have his shoes
re-bottomed with Neolin Soles. These
tough, durable soles cost no more
than soles that give only ordinary
wear. And all good repair shops have
them."

Neolin Soles come on new shoes,
too—in many styles for men, women
and children. They are created by
Science to be all that soles should be—
comfortable and waterproof, as well
as long-wearing. They are made by
The Goodyear Tire & Rubber Co.,
Akron, Ohio, who also make Wingfoot
Heels—guaranteed to outwear any
other heels.

For Burning Eczema

Greasy salves and ointments should
not be applied if good clear skin is
wanted. From any druggist for 35c, or
\$1.00 for large size, get a bottle of Zemo.
When applied as directed it effectively
removes eczema, quickly stops itching,
and heals skin troubles, also sores,
burns, wounds and chafing. It pene-
trates, cleanses and soothes. Zemo is a
clean, dependable and inexpensive,
antiseptic liquid. Try it, as we believe
nothing you have ever used is as effec-
tive and satisfying.

Activities Among Memphis Negroes

The world is sick and tired of edu-
cated fools and foolish education. The
former is a habitual nuisance. His
limited knowledge of facts and theories
makes him ready for a parade at the
slightest provocation. His stock of
learned lumber has made him top-
heavy, and his supply of unassimilated
matter has afflicted him with literary
indigestion. Foolish education is large-
ly ornamental and is worthless in the
solution of domestic or community
problems. With these common sense in
a rare virtue and things practical are
despised.

Inclement weather interfered with
the meeting scheduled for church's
auditorium Sunday afternoon, also the
anniversary services of Dr. Sutton E.
Griggs, of the Tabernacle Baptist
church.

There is a great demand for colored
plumbers, electricians, printers, car-
penters and tinners. Why don't our
young men take training along these
lines? These are inviting fields.

Honestly has the same elements now
that it had when your grandfather was
a boy and it offers the same rewards.
These who think and act otherwise
will pay the price for their mistakes.

Life has its "lights and shadows,"
its "ups and downs," and he who can
sit steadily through the changes will
find himself happier. Into each life
some rain must fall, some days will
be dark and dreary.

If Memphis is to celebrate her cen-
tenary, why not form a committee of
colored citizens to prepare historical
papers on the part played by our people
in the growth and development of the
city? Pride of achievement is an in-
centive to loyalty and patriotism. Too
many people act like strangers and
guests at their own homes.

While passing through a certain state
recently, officers were seen to come
into the train and inspect the bags
and packages of the passengers in
search of "shorts," but they were so
courteous and respectful that even the
preachers did not resent it.

Newspaper men are not omnipresent
nor can they see the invisible. Bear
that in mind when you read the paper.

Max Robans, a Cuban who was edu-
cated at Edward Waters college, Jack-
sonville, Fla., is employed as a lumber
man in one of the Memphis plants.
The prepared man will find a place.
Get ready!

Velma Young, a trained nurse from
Clarksville, Miss., spent several days
in the property offered for sale Sat-
urday. She found her calling, selected
her field and is kept busy. She studied
at the Jane Terrell hospital.

Colored club women of the city will
hold a big mass meeting for women
at the First Baptist church, St. Paul
avenue, Thursday afternoon in the in-
terest of the old Folks' and Orphans
Home on Hernando road. The Rev.
W. S. Ellington, of Nashville, will de-
liver a sermon address. Women from
all over the churches are urged to be
present.

PRESERVATION OF WILD LIFE MEMORIAL PLAN

NEW YORK, March 17. (Sp.)—The
establishment of a foundation for the
conservation of wild life is the plan
proposed to Col. William Boyce Thomp-
son, chairman of the Roosevelt perma-
nent memorial national committee, by
a group of Col. Roosevelt's friends,
naturalists and sportsmen. Among the
sponsors of the plan are George Shiras
2nd, the famous faunal naturalist; E.
W. Nelson, chief of the bureau of bi-
ological survey in the department of
agriculture; Charles Sheldon, and John
B. Burnham, president of the Ameri-
can Game Protective association. They
contend that because of Col. Roose-
velt's well-known interest in nature
throughout his life, both as one of the
keenest and most observant of Ameri-
can field naturalists and as a hunter
of big game, no memorial could be de-
vised which he himself would have
looked upon with greater appreciation
and pleasure.

The project calls for the establish-
ment at Washington of an institution to
be known as "The Roosevelt Founda-
tion for the Conservation of Wild Life,"
the object of which shall be the con-
servation of wild life, mainly in Ameri-
ca, but secondarily in other parts of
the world, the said institution to thus
serve principally the native bird and
mammal fauna.

ing the administration of 23 presidents
of the United States.

SOLDIERS' MEMORIAL TO BE STATE BUILDING

NASHVILLE, Tenn., March 17. (Sp.)—
Tennessee's war memorial to her heroes
will take the form of a five-story
building to be located on the Capitol
boulevard southwest of the main en-
trance to Capitol grounds, according to
the vote of the state memorial com-
mission late today. The building will
contain a memorial hall on the first
floor and offices for state officials, the
supreme court and archives on the re-
maining floors. The cost will be not
less than \$500,000 nor more than \$1,
000,000. This is Senator J. B. Frazer's
plan. These recommendations will be
submitted to the general assembly when
it reconvenes. The highway memorial
was eliminated on the first ballot. The
question was narrow, and whether
it should be a purely memorial build-
ing or one combining the utilitarian
features. Judge E. Sanford, of Knox-
ville, declared such a building as a
four-fifths of which would be offices,
serving rent to the state, with the build-
ing itself an architectural monument. The
legislature is not bound by the
plan, however, only 13 members of the
commission present.

SHERIFF IS MAGNATE.

HICKMAN, Ky., March 17. (Sp.)—
At the sheriff's sale of property for
county and state taxes here this week
fell to Sheriff Swayne Walker, to bid
in the property offered, including
several hundred acres of land and hun-
dreds of town lots. Only one piece of
property was bought by another bid-
der, Ben Nertin buying a town lot.
The sheriff is now about the county's
largest land owner. In the absence of
bidders the officer gets the property
for the amount of the unpaid taxes.
There were something like 300 town
lots and farms in the auction. Many
of these will, of course, be later re-
deemed by their owners, who will be
compelled to pay back taxes, costs,
interest, etc.

NEGRO KILLS FARMER AND SHOTS COMPANION

COVINGTON, Ky., March 15. (Sp.)—
Bon Cross, a negro, shot and killed L.
H. Hartsfield, a farmer of this vicinity,
near Fort Pillow Friday morning and
severely wounded Marlan, who
was with Hartsfield. The negro, who
used a shotgun, escaped immediately
after the shooting and is still at large.
It is said that Cross suspected that
Hartsfield and Marlan were officers
who wished to arrest him for bootleg-
ing.

SUPREME COURT AFFIRMS TWO HOMICIDE CASES

NASHVILLE, Tenn., March 17. (Sp.)—
In the case of Bill Gantt, of Hamil-
ton county, charged with killing his
young wife at the home of her father
in Chattanooga, the supreme court to-
day affirmed the verdict of conviction
in the lower court and sentenced the
defendant to life imprisonment.
The court also sustained the David-
son county criminal court in sentencing
Leo D. Wege, prominent Nashville
laundry owner, to 10 to 20 years in the
penitentiary. Wege shot and killed
Sam Hartman about a year ago.
